1. Purpose and Scope

This policy sets out what employees of Aspire Demo Pte Ltd may claim as business expenses, the limits that apply, and how claims are approved and reimbursed. It applies to all permanent, contract and intern staff in the Singapore, Ho Chi Minh City and Jakarta offices. Expenses must be necessary, reasonable and incurred wholly for company business. Personal items, fines, alcohol (except approved client entertainment) and traffic penalties are never reimbursable.

2. Claim Limits

Category	Limit	Notes
Meals - domestic (Singapore)	SGD 50 per person per day	Receipt itemised; no alcohol
Meals - overseas	SGD 80 per person per day	Applies on approved business trips only
Client entertainment	SGD 120 per head per event	Requires attendee list and business purpose
Local transport (taxi/ride-hailing)	SGD 40 per trip	Late-night work after 21:00 is exempt from the cap with manager note
Mobile/data top-up for roaming	SGD 60 per trip	Overseas trips only
Professional training and books	SGD 1,500 per year	Pre-approved by manager; see HR Learning Fund

3. Pre-Approval Rules

Any single expense or planned spend above SGD 500 requires written pre-approval from the employee's line manager before the cost is incurred. Spend above SGD 2,000 additionally needs approval from the Head of Department. Pre-approval is recorded in the expense system (Aspire Spend) as a Spend Request and the approval reference must be quoted on the claim. Claims that exceed SGD 500 without a prior approval reference are returned and may be rejected.

4. Receipts and Submission Deadline

Employees must attach an original or clear digital receipt to every claim. Receipts must show the merchant name, date, amount and GST where applicable. Claims must be submitted within 30 calendar days of the expense date. Claims older than 30 days need a written explanation and Finance Controller approval; claims older than 90 days are not payable. Missing receipts require a signed Lost Receipt Declaration, limited to SGD 100 per claim and three declarations per employee per calendar year.

5. Corporate Card Use

Employees who frequently travel or purchase on behalf of the company may be issued an Aspire corporate card, issued under the company's own product. Cards are for business use only and are subject to a default monthly limit of SGD 3,000, adjustable by the Head of Department. Cash withdrawals are blocked. Card transactions must be reconciled in Aspire Spend with a receipt within 7 days of the statement cut-off date. Personal use must be reported immediately and repaid within 14 days; repeated breaches lead to card suspension.

6. Travel Class Rules

7. Approval Chain

• Claims above SGD 500 up to SGD 2,000: line manager approval with pre-approval reference, then Finance.

• Claims above SGD 2,000: line manager, Head of Department, then Finance Controller.

• Claims by managers are approved by their own manager; claims by Heads of Department by the CFO; CFO claims by the CEO.

• Nobody may approve their own claim or that of a family member.

Finance aims to review submitted claims within 3 working days of manager approval. Approved claims are paid with the next payroll run (monthly, on the 25th) or by out-of-cycle bank transfer for claims above SGD 1,000 on request.

8. Non-Compliance

Falsified or duplicated claims are treated as misconduct under the Code of Conduct and may lead to disciplinary action, including dismissal and recovery of amounts paid. The Internal Audit function samples 5 percent of claims every quarter. Questions should be sent to the Finance Operations team via the #finance-help channel.
